Coolamon & Ganmain Organics Collection - to reduce waste in landfill use the green lid bin for all Greenwaste, Organics & Food Scraps. **NB** maximum bin weight is 70kg.
www.coolamon.nsw.gov.au for more information. Currently only Coolamon and Ganmain receive an organics collection. The NSW Government is committed to introducing an organics collection for each town in the future.

Designated recycling bins are provided at all four waste disposal sites. These bins are available to all tip users and can take the same recyclable materials as the domestic recycling pickup.

Council encourages all users to use these facilities to reduce greenhouse gas emissions and extend the life of Council's landfill resources.

What To Put In Your Recycling Bin

- Paper and cardboard (flatten boxes), pizza boxes (remove food scraps), newspapers and magazines, milk and juice cartons (rinsed)
- Glass jars and bottles (no lids)(rinsed)
- Aluminium cans and steel cans (empty and dry)(rinsed)
- Plastic bottles and containers (rinsed, lids removed)

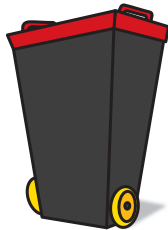

NOTE: Nothing is to be bagged.

'What NOT to put in Recycling Bin'

- Greenwaste / Organics / Food Scraps
- Styrofoam
- Electrical Goods
- Computers, Mobile Phones, e-waste
- Nappies
- Steel Products other than steel cans (Recycle at landfill site)
- Food Soiled Pizza boxes

Remember **RED** is for rubbish

If in doubt leave it out of your recycling bin!

Regular Waste and Recycling Services

Council's waste and recycling services operate all year round. Please place your bins out the night before your collection day, lid opening facing the road, a distance of 50cm between bins. Please note that Public Holidays may alter collection dates. Refer to Council Newsletters for advice of changes. Bins placed out for collection should not be overfilled or provided with additional bags placed on top or beside the bin.

Landfill Opening Hours

Landfills are generally closed on Public Holidays - please check with Council for changes.

Community Recycling Centre (CRC)

As part of the NSW Environmental Protection Authority's CRC program, residents can now safely dispose of household materials that can be hazardous to the environment or to public health at the Coolamon Landfill site. The following materials are accepted: Water Based Paint, Oil Based Paint, Gas Cylinders Propane, Gas Cylinders Other, Fire Extinguishers, Fluorescent Tubes and Globes, Household Batteries, Car Batteries, Oil, and Smoke Detectors

Waste Oil Collection

Council operates two waste oil collection facilities at the Coolamon and Ardlethan Landfill sites. Used motor oil can be taken for disposal at either of these sites during the above opening times.

e-Waste

As part of the national Television and Computer recycling scheme, residents can now recycle electronic waste at the Coolamon Landfill site. Further information can be found at www.waste.reroc.com.au

Coolamon Lions Club

The Coolamon Lions Club will continue to operate their recycling service for cardboard, paper and aluminium cans. Residents of Coolamon are encouraged to use this service.

Council Cleanup

Council conducts a bulky items cleanup annually around the months of September or October.

This collection is for domestic items only and will be advertised in the local paper and Council newsletters.

Illegal Dumping

Dumping of any items outside designated waste disposal areas is illegal. Fines of up to \$1500 (individuals) or \$5000 (corporations) may be imposed on persons found guilty of this offence.
